

**INTER AMERICAN UNIVERSITY OF PUERTO RICO
SAN GERMAN CAMPUS
NURSING SCHOOL AND HEALTH SCIENCE
RADIOLOGIC TECHNOLOGY PROGRAM**

PROGRAM EFFECTIVENESS DATA (2014-2018)

Credentialing Examination Pass Rate (PR State Licensing Examination)

Is defined as the number of graduates who pass, on first attempt within six months of graduation, the credentialing examination or an unrestricted state licensing examination compared with the number of graduates who took the examination, during the five-year reporting period (JRCERT, 2015).

Year	Percent Passing on First Attempt	Number of Students
2014	67%	Two (2) of three (3) students passed on first attempt within six (6) months of graduation (See Credentialing Examination Report 2014)
2015	100%	Three (3) of three (3) students passed on first attempt within six (6) months of graduation. (See Credentialing Examination Report 2015)
2016	N/A	Cero (0) students took the PR State Licensing Examination or ARRT within six (6) months of graduation due to continuing education. (See Credentialing Examination Report 2016)
2017	100%	Two (2) of two (2) students passed on first attempt within six (6) months of graduation. (See Credentialing Examination Report 2017)
2018	N/A	Cero (0) students took the PR State Licensing Examination or ARRT within six (6) months of graduation due to continuing education. (See Credentialing Examination Report Letter 2018)
5 Year Average		7 out of 8 = 87.5%

<https://portal.jrcertaccreditation.org/summary/programannualreportlist.aspx>

Program Completion Rate

Defined as the number of students who complete the program within 150% of the stated program length (JRCERT, 2015).

Year	Number of Students Initially Enrolled	Number Graduates	Percent Completion
2014	20	15 <ul style="list-style-type: none">• 5 withdrawals	75%
2015	20	16 <ul style="list-style-type: none">• 2 course failure• 2 withdrawals	80%
2016	25	23 <ul style="list-style-type: none">• 2 withdrawals	92%
2017	20	16 <ul style="list-style-type: none">• 4 withdrawals	80%
2018	20	20	100%

Job Placement Rate

Job placement rate is defined as the number of graduates employed in the radiologic sciences compared to the number of graduates actively seeking employment in the radiologic sciences **during the five-year reporting period, 2014-2018**. The program must document a minimum five year average of 75%.

Year	Percent Job Placement	Number of Students
2014	100%	5 of 15 graduates completed graduate survey. <ul style="list-style-type: none">• 4 not actively seeking employment due to continuing education.• 10 no response to survey.• 1 of 1 seeking employment was employed within 12 months of graduation.
2015	100%	7 of 16 graduates completed graduate survey. <ul style="list-style-type: none">• 6 not actively seeking employment due to continuing education.• 9 no response to survey.• 1 of 1 seeking employment was employed within 12 months of graduation.
2016	100%	5 of 23 graduates completed graduate survey. <ul style="list-style-type: none">• 3 not actively seeking employment due to continuing education.• 18 no response to survey.• 2 of 2 seeking employment was employed within 12 months of graduation.
2017	0%	5 of 16 graduates completed graduate survey. <ul style="list-style-type: none">• 5 not actively seeking employment due to continuing education.• 11 no response to survey.
2018	0%	7 of 20 graduates completed graduate survey. <ul style="list-style-type: none">• 7 not actively seeking employment due to continuing education.• 13 no response to survey.
5 Year Average		4 out of 4 = 100%
